Testimonial

"From getting up to see the sunrise at the Capitol Reflecting Pool, to walking the National Mall seeing the incredible sights, made my first trip to Washington, DC an amazing experience! Our day spent with our representatives discussing key subcontractor issues was fruitful and memorable. We were able to attend both House and Senate proceedings, were escorted through the basements connecting all the buildings, and even caught a ride on the US Capitol subway system!

"Grateful for the insights, connections, and inspiration gained at this event. Thank you, ASA, for a fantastic experience! I will definitely be visiting again in the future, and would love to hear recommendations and some off the beaten path sights to see that will keep three teenagers engaged!"
